# Zeta

**Designed for professional users the Zeta packs a powerful punch. With its massive 200 bar at 30 litres a minute it delivers an outstanding cleaning performance.**

The Zeta's amazing cleaning power is achieved by combining a world leading Interpump 66 Series with a rugged 18 Hp Briggs Vanguard Air-cooled V-Twin engine.

The Vanguard™ 18 Hp V-Twin engine has been designed and application engineered to meet the requirements of the most demanding commercial applications.

An easily accessible control panel is fitted with twin high pressure outlets allowing multiple operators to simultaneously harness the Zeta's amazing power.

With its incredible power & exclusive features the Zeta is invaluable for all cleaning applications where you need a powerful, compact & portable cleaning source.

General	
Weight	140kg
Dimensions	L1200 W600 H860 mm
Noise level	LWA 105dB
HP hose	10m with quick release couplings
Suction hose	4m with 50 mesh weighted filter
Lance	1m single with high-low pressure
Pump	
Type	Interpump W2030
Flow	30 Lpm
Pressure	200 Bar
Lubrication	Oil splash type
Speed	1450 Rpm
Drive	Via 2:1 reduction gearbox
Engine	
Type	Briggs Vanguard Air-cooled V-Twin
Power	18 Hp
Fuel tank Cap.	8.5 Litres
Lubrication	Pressure fed
Cooling	Air-cooled
Fuel system	Gravity fed to carburettor
Starting System	Electric with 12V charging system

## Engine

- 18 Hp Briggs Vanguard Air-cooled V-Twin engine
- Electric start with charging system
- Maintenance free pure lead dry battery
- Manual hand throttle
- Key stop/start

## Pump

- Triplex Interpump 66 Series
- Ceramic plungers & brass manifold
- Gearbox driven at 1450 Rpm
- Adjustable pressure regulating valve
- Independent return to tank by-pass

## Safety

- Factory set pressure relief valve
- Wheel brake with spring loaded lock
- Four frame lifting point eyes
- Complies with CE noise regulations

## Equipment

- 10 metre high-pressure hose
- Manual hose reel with 40 metre capacity
- Single lance with high-low pressure facility
- Low-pressure chemical induction
- Twin high-pressure outlet ports
- 4 metre anti-kink suction hose with weighted filter
