

Hose reels

Medium pressure hose reels

info@agrati.net - <http://www.agrati.net>

Art. 7200

Special hose reel with fittings for small diameter hoses: this model is recommended for industrial and specialized uses such as spraying, window cleaning etc.

The frame base has three holes so that the hose reel can be bolt down to carts: therefore one model for two applications (portable and bolt down).

Frame made of galvanized steel, reel made of steel; coated with no-toxic polyester powder.

Equipped with:

- A strong crank with steel core: it can be removed for the drum after use, to reduce the volume of this hose reel
- Two hose connections made of brass: a garden hose quick release adaptor inlet + a 8 mm hose barb outlet
