

Jubilee Wingspade (WSWD)

Worm Drive Hose Clamp with Wing Screw
for Manual Fitting

Description

Jubilee Wingspade® clips are supplied with a thumb screw, allowing easy torquing using just a thumb and forefinger. Suitable for applications where there is a requirement for frequent tightening/loosening on low torque applications; mainly for the hardware market.

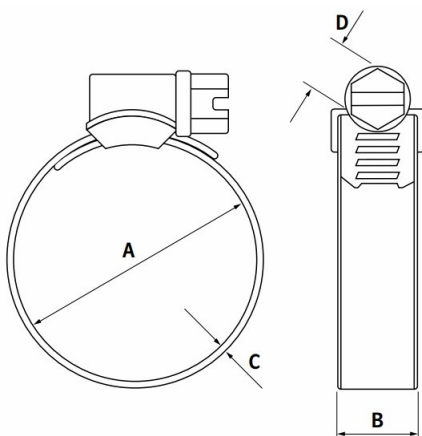

This product range is manufactured to DIN Standard and has a plastic spade for ease of use. Wingspades are suited to fittings that may need to be removed from time to time such as dust extraction units, garden hoses and other domestic applications. The range starts from 9.5mm and extends through to 70mm.

Product Information

Made by:	L Robinson Ltd
Manufactured according to:	British Standard
RoHS Compliant:	Yes
Hazardous Goods:	No
HS Tariff Code:	7326 90 92

Material Information

	W1
Band Screw & Housing:	Mild Zinc Plated Steel
Corrosion Resistance:	240 Hours NSS test
